“ I have a heavy heart losing such a wonderful person. Gary it was an honor to work with you the last few years. Your cheerful voice, wonderful smile, flowers and candy always brightened my day. Your care for others was one I truly will cherish forever. I will miss Friday's when you would sit with us and talk about life, my love for running and my son. You truly were a man that touched the hearts of many. Your work ethic is one that was impressive, but it was your spirit that made you something beyond most. I will miss you dearly. Thank you for being the wonderful man you were. We will miss you here at Masterson. I will truly be forever grateful for the friendship you brought and will never forget the smiles you brought to so many faces. - Sheila

“ Gary, I'm sorry that we never got to play that round of golf but at the same time I'm not because of how badly you'd have beaten me! I'll miss our time together talking about nothing all that important. -Sam

“ Gary was such a wonderful friend and neighbor. My family and I are devastated. Gary loved his "Char" and Owen and Vader. We miss him so much already. Life never gives us enough time with the ones we care about. We are thinking of you all and wishing you the best.

Love
Deb and Sam
