“ My fondest memory, is going to the farm as young girl with my parents Russ and Jeannine Birk. I used to think that Great Uncle Lenny and Aunt Evelyn were the riches people in the world, because they had a swimming pool in their house. I remember playing on the farm, running, jumping and just having so much fun. As I've grown older those memory's will stay in my heart for a lifetime. I wish I could be with you all as you say goodbye to Lenny. Please know that I am thinking of you all and your in my prayers and Lenny and Evelyn ARE the riches people in the world because they have been blessed with a huge family. Rest in peace Uncle Lenny. Much love to you all Dottie.
